Prayer

Gracious God, We give thanks anew for your providence and presence. We prayerfully seek your grace, amidst COVID-19 here and overseas. We pray for those in need of healing. We pray for your peace with those who are anxious or grieving. We pray you will continue to strengthen and sustain all those who are serving in response. We pray for your Holy Spirit's discernment amidst the many choices and decisions facing our national, community and medical leaders. We pray we each might see quickly what more we can do to help those who are vulnerable. This prayer for our nation in the family of nations, with all that is on our hearts, we gather now and pray through Jesus Christ our Lord. Amen.

Social Justice Statement 2020

To Live Life to the Full: Mental health in Australia today
The COVID-19 pandemic is impacting the mental health of many members of our parishes, schools and communities. In fact, most of us will experience a mental health problem at some point over the course of our lives. Understanding mental health will help us to be aware of those who need our support. Our parishes, organisations and communities can be places of acceptance care and healing, not places of rejection, judgment or stigma. To download the statement go to socialjustice.catholic.org.au
