CARITAS APPEAL

Caritas Australia, in partnership with Caritas India, is providing support to vulnerable communities as the nation is devastated by massive increases in COVID-19 infection rates. The communities which Caritas works with are among the most vulnerable to COVID-19, with poor access to clean water and Personal Protective Equipment. We are accepting donations through our Asia Emergency Appeal which can be found here: <https://caritas.org.au/donate/emergency-appeals/asia-emergency-appeal/>. Please consider giving generously towards this as we support these vulnerable communities now, and assist them as they start to rebuild their lives in the future. Thank you.
